### Never Lose That Feeling volume 3

Third and final volume of the Club AC30 compilations of sixteen bands we like covering shoegaze classics!

Coined by the NME in the late 80's to define a certain genre of noisy guitar bands, **Shoegazing** has come to encompass (rightly or wrongly) a great chunk of alternative music from that era. Everything from **Jesus & Mary Chain**, via **Spacemen 3** and **Galaxie 500**, to **Ride**, **Slowdive**, **Chapterhouse** and **My Bloody Valentine**.

Club AC30 has been promoting noisy guitar and electronica shows in London for the last five years. We've had numerous bands and artists come and play AC30 time and again including **Asobi Seksu**, **Ulrich Schnauss**, **God Is An Astronaut**, **Piano Magic** and many more. Recently we've promoted sold out shows by **Cranes** and **Swervedriver**.

Volume #3 of this compilation is somewhat late, but is well worth waiting for! Volume #1 was released September 2005 and featured among others **Andrew Kenny** (Amanset), **Amusement Parks On Fire**, **Air Formation** and **Douglas Heart**. Volume #2 followed in September 2006 with the likes of **Hammock**, **Britta Phillips** and **Paula Kelley** (Drop Nineteens).

Artists featured on Volume #3 include **The Daysleepers**, **Heats Of Black Science**, **Spotlight Kid** and **Wry**. There's also **Ulrich Schnauss** performing Love Forever with original **Chapterhouse** members Andrew Sherriff and Stephen Patman, and **Jatun** close out the whole series with their excellent version of Swervedriver's Never Lose That Feeling.
