

## Deep Cut

### Commodity

This is the first in a brand new series of singles released by London live night/record label **Club AC30**. The series is called **As & When**, and will follow the same general format of limited edition numbered 7" and digital release. The theme is "bands we like" and the frequency is "as & when".

**Deep Cut** is a new band with some pedigree making noise around London at the moment. Vocalist **Emma Bailey**, guitarist **Mat Flint** and bassist **Simon Flint**. For this single additional guitars were added by **Pad Bailey** and drums by **Ian Button**.

Mat Flint was founder member of early 90's Virgin/Hut band **Revolver**, and has played bass in **Death In Vegas** for ten years. Mat was also resident dj at **Heavenly Social** for four years. This first single **Commodity** has been produced by **Tim Holmes** from DiV.

Commodity is indie pop at its best. **Strawberry Switchblade** meets **Jesus & Mary Chain**, maybe a bit of **Lush** in there, or even **Curve**. Fuzzy laid back guitars and glacial vocals, 21st century Motown resplendent with thumping drum licks and guitars pilled up to the eyeballs.

The band are obsessive music fans and cite influences ranging from **New Order**, **Arthur Lee & Love**, **Primal Scream**, 60s girl groups, **Phil Spector**, **MBV**, **The Byrds**, **Dinosaur Jr**, **The Jesus & Mary Chain**, 60s psych/garage, early **B-52's**, **Tamla Motown**, **Oasis**, through to northern soul and the **Smiths**.
